

# Egg Carton Snowman

This is a fun and easy snowman egg carton craft for you and your little ones to enjoy. Not only is it a great way to use recycled paper egg cartons, but it's also a perfect winter craft to get you through the cold season. From painting and decorating to adding the finishing touches, you'll be amazed at how easy it is to create a charming snowman craft that will bring a touch of winter cheer to any room.

---

**These downloadable instructions will walk you through the simple steps of transforming an egg carton into a cute and festive snowman.**

## For this craft you'll need:

- 1 Paper Egg Carton
- Red and Orange Construction Paper
- Scissors
- White, Orange, and Black Paint
- Glue

## How-to create an egg carton snowman:

1. Cut the egg carton into 3 individual cups and paint them white. Allow the paint to dry completely.
2. Cut a small triangle out of the orange construction paper and glue it to the front of one of the egg carton cups to create the snowman's carrot nose.
3. Paint three black circles on one of the other carton cups to create the buttons.
4. Use black paint to add eyes and mouth to the snowman's head with the carrot nose.
5. Glue the three egg carton cups together with the head at the top, buttons in the middle, and the third painted cup at the bottom.
6. Cut a scarf out of a piece of red construction paper and glue it around the snowman's neck.
7. Add any additional decorations to your snowman, such as a hat or a pipe using construction paper or other materials.
8. Allow the glue to dry completely before displaying your snowman craft.
